ORGANIZE · CONNECT · PROTECT

electrical systems at the lowest total cost

Introducing the ergonomically designed GTS-E cable tie hand tool from Panduit.

Low shock, low force = more comfort and more productivity. That's what the new GTS-E cable tie hand tool from Panduit is designed to provide. The comfort your installers demand with the performance, efficiency and durability your business needs.

- 15% lower handle force than comparable tools, reducing the risk of repetitive motion injuries
- Consistent performance, minimizes rework
- Quick, easy and accurate tension setting with a simple pull and twist of the tension setting knob
- Rugged design reduces maintenance and replacement costs over life of tool
